

Apply now for a grant up to **\$20,000**

We're proud to support the communities where we live and work to help you achieve your climate action goals. Our **Community Sustainability Fund (CSF)** supports grassroots projects that benefit our communities. Submit your application online by **May 31, 2024**.

We're serious about sustainability and excited to support your community dreams. **Let's collaborate on a project that matters to YOU!**

Eligible projects must:

- Be located in our operational or office communities
- Benefit and be accessible to the whole community
- Submit an online application
- Submit a detailed budget

**Individual or personal initiatives (i.e., solar panels on your house) are not applicable for this grant.*

Eligible projects include:

- Renewable energy installations
- Energy efficiency
- Emission reductions
- Sustainable food programs and farmer's markets
- Community gardens
- Nature conservation
- Tree planting
- Water conservation
- Renewables or emissions reduction education
- Recycling programs
- EV charging stations
