

Strathmore Solar

SUMMER 2024

Hello,

Wade Heuscher here, Site Manager at Capital Power's Strathmore Solar facility. Since taking over the role 15 months ago, it has been a pleasure to be so welcomed into the community of Strathmore. There have been exciting things happening on site, including welcoming back the sheep and introducing pigs to help graze the vegetation, which is coming in so well. We've achieved a nice balance of managing the risk on site and keeping the land productive.

Meeting all of the people involved in the Strathmore Fire Department, Strathmore Stampede, Royal Canadian Legion, Strathmore High School, Food Bank Society and Lead by Example Pow Wow has been amazing. The community has been so welcoming, and I have learned so much about the new world around me.

The plant has been running well (although we have had a bit less sun than expected due to the rain).

If you ever have any questions about our operations I encourage you to drop me a line!

Wade Heuscher
Site Manager, Strathmore Solar

Site updates

Our 1200 resident sheep from Whispering Cedars Ranch have now been joined in their grazing with Kune Kune pigs (10 so far).

ENJOY A PANCAKE BREAKFAST ON US!

Friday, August 2
8:00 to 10:00 am
Royal Canadian Legion
230 2 Avenue, Strathmore, AB

In celebration of the Strathmore Stampede and in partnership with Royal Canadian Legion Branch 10, Capital Power is proud to host a FREE pancake breakfast from 8-10 a.m. on Friday, August 2nd at the Legion.

Join us! Meet some Capital Power team members and fuel up before a day at the Stampede!

About Us

Capital Power is growth oriented North American power producer, publicly traded (TSX: CPX), and headquartered in Edmonton, Alberta.

We create innovative electricity solutions to electrify the world reliably and affordably while protecting the planet for future generations.

Powering Change
by Changing Power™

Building our community together

We're excited to collaborate with innovative organizations and partners making significant impacts on the vibrancy, wellbeing and overall sustainability of our communities. We aim to source supplies and services locally for our operations, as well as hire from the community, when possible.

We give back where we live and work by supporting local organizations and through our employees' community participation with our corporate giving programs.

Recent community support includes:

- Strathmore Fire Department
- Strathmore Stampede
- Royal Canadian Legion Branch 10
- Strathmore High School
- Wheatland County Food Bank Society
- Lead by Example Pow Wow

Proud to support the innovative programs at Strathmore High School

Always a great time at our pancake breakfast. Come see us at the Legion on Aug 2.

We are proud to support the communities where we live and work to help you achieve your climate action goals. We launched our Community Sustainability Fund (CSF) in 2023 to support grassroots projects that benefit our communities.

Earlier this year, the CSF supported George Freeman School with their project to plant native grasses in their school yard. This initiative not only beautifies the campus but also serves as a living classroom for 500 students, fostering lessons in climate sustainability and ecosystem rejuvenation.

Watch for information about the 2025 Community Sustainability Fund!

Request support for your community initiative

Capital Power provides support in the areas of Climate Action, Wellbeing and Equity & Opportunity. If you are a part of a community organization that operates in this area and have events or initiatives that support these impact areas, please consider requesting support through our online system on our website: www.capitalpower.com/support
